THE ULTIMATE EXPERIENCE
TEAM BUILDING
Through the Art of Cooking

Unleash the Power of Collaboration through the art of Cooking

Communication & Collaboration

Foster deeper relationships and improve communication in a relaxed and engaging environment

- Strengthens communication, teamwork & problem-solving
- Encourages participation in a fun, inclusive setting
- Builds trust and connection through shared achievement

Innovation & Creativity

Unleash your team's innovative spirit through hands-on culinary challenges and flavor exploration.

- Sharpens decision-making and leadership
- Inspires innovation with unique cooking challenges and creativity

Cultural Sensitivity/Diversity & Inclusion

Forge unforgettable experiences that will strengthen team bonds and inspire collaboration long after the event

- Promotes cultural awareness through global cuisines
- Boosts morale and employee engagement
- Leaves a lasting impression on your team or clients

Led by Culinary Experts

With over 20 years of experience, our passionate chefs lead every session with energy, creativity, and professionalism.

Meet Felipe Sarmiento: your culinary guide with 500+ happy teamcookers and 200+ successful events!

Felipe's culinary journey spans continents. Rooted in the vibrant flavors of Latin America and nurtured by years of living and traveling the world, Felipe brings a unique global perspective. He's not just a chef — he's a catalyst for transformation, inspiring others to create, connect, and grow through the power of cooking.

Helping teams and individuals enhance their creativity and build stronger connections through the art of cooking.
